

# PUBLIC NOTICE

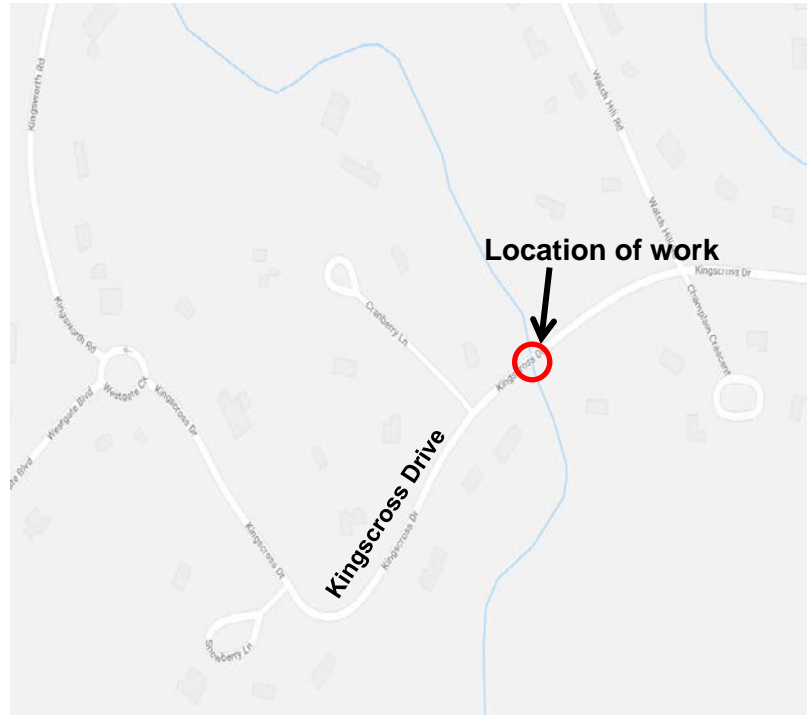

**CULVERT Replacement**  
by Public Works **coming soon...**

**WORKING FOR YOU**  
Engineering and Public Works

DETAILS AT  
[King.ca](http://King.ca)

**PROJECT:** Kingscross Drive  
Concrete Box Culvert Installation

**LOCATION:**

## WHY?

The existing corrugated steel culvert is at the end of its service life and is in very poor condition. The steel culvert is being replaced with a concrete box culvert.

## WHEN?

**Start:** August 21<sup>st</sup> 2019

**End:** September 2019

## IMPACTS?

The road will be closed at the watercourse and there will be no through traffic at this location. Please refer to the traffic plan on the back side of this notice for alternative routes.
