

# **PUBLIC OPEN HOUSE AND INFORMATION CENTRE**

Collard Drive, King City

The Township of King will be holding a public open house and information centre regarding the traffic issues associated with Collard Drive in King City (refer to attached map). The public open house and information centre will take place on Thursday, February 4, 2010 from 7:00pm to 8:30pm at the Township of King Municipal Offices in the Council Chamber, 2075 King Road, King City.

The public open house and information centre is intended to obtain public input and comments from the public with respect to the issues, and the need and/or options for traffic mitigation for Collard Drive. Concerns have been raised by residents in the surrounding area with respect to the traffic and related safety on Collard Drive and it has been suggested that the Township should consider the closure and removal of the connection between Collard Drive and Burns Boulevard.

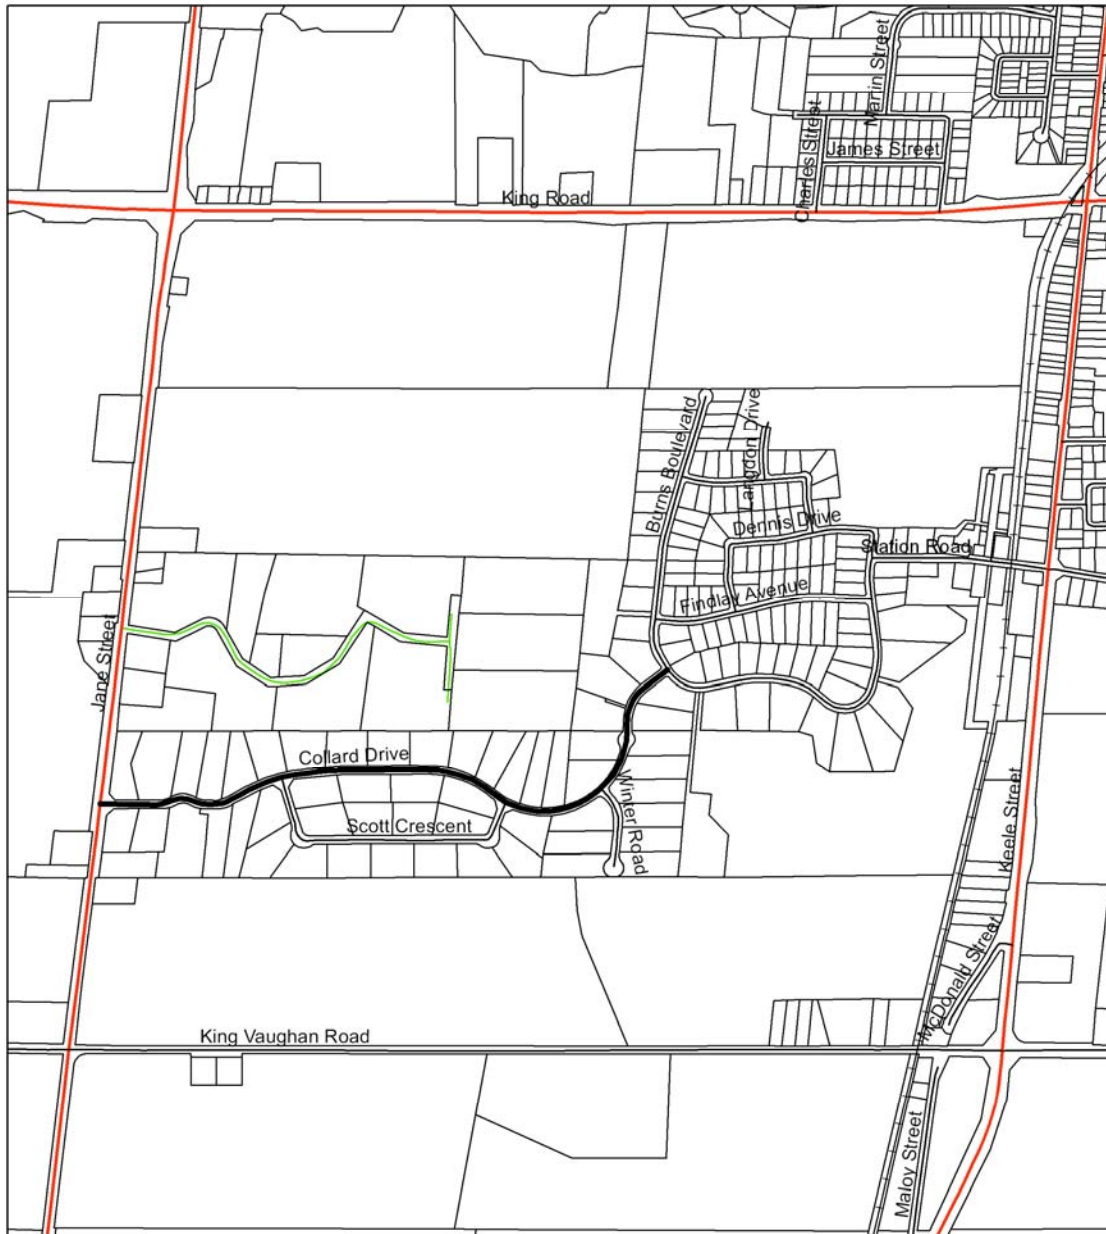

The public open house and information centre will include information displays and Township staff will be available to receive and respond to questions and comments. There will be no formal presentation. You are invited to attend any time between 7:00pm to 8:30pm to view the displays, ask questions and provide your comments. Your input is important. Please plan to attend.

For further information, contact:

Jody LaPlante, Deputy Director of Engineering & Development  
Township of King Engineering & Public Works Department  
2075 King Road  
King City, ON
