WORKING FOR YOU
Public Works

PROJECT:

Nobleton Drainage - Culvert 4
Replacement on King Road

LOCATION:

WHY?

The existing culverts are at the end of their service life and are in very poor condition. They will be replaced to improve the overall drainage system functionality as a tributary of the Humber River within Nobleton.

WHEN?

Start: Late September 2021

Expected Completion: Late October 2021

IMPACTS?

Traffic impacts shall be minimal with full access being maintained throughout the work. All work will be contained within the municipal right of way and dedicated easements.
