TELEPHONE NUMBER: _____

EMAIL ADDRESS: _____

I/WE ACKNOWLEDGE THAT THE CONTRACTOR IS RESPONSIBLE FOR FACILITATING CCTV INSPECTION OF INSTALLED BUILDING SEWER AND SUBMITTING FOOTAGE TO BUILDING DIVISION OR CONDUCTING SAID INSPECTION WITH INSPECTOR PRESENT ON SITE.

I/WE ACKNOWLEDGET THAT NO PERSON SHALL CONDUCT ANY MODIFICATIONS TO THE MUNICIPAL SANITARY SEWER LATERAL (INCLUDING REMOVAL OF THE CAP) OR OTHER MUNICIPAL INFRASTRUCTURE, INCLUDING WATER CURB STOPS WITHOUT THE APPROPRIATE TOWNSHIP STAFF PRESENT.

SECTION 3: REQUIRED SUBMISSIONS WITH APPLICATION

ICI Servicing – Multi unit Residential / Industrial/ Commercial / Institutional Buildings - Two (2) hardcopies of Site Plan Development approved site servicing plans showing the location of required site services and required inverted elevations at the property line. Note: Permit application required for Backflow Prevention Devices and for all ICI Servicing applications.

Backflow Prevention:

In accordance with the Township's Water Use By-Law, 2014-73, as amended all ICI properties are required to install a premise isolation backflow prevention device on the incoming water supply line immediately after the water meter. More information regarding Backflow Prevention can be found on the Township's website at:

<http://king.ca/Government/Departments/Engineering%20%20Public%20Works/Cross%20Connection%20Control%20Back%20Flow/Pages/default.aspx>

SECTION 4: CONIDITIONS AND DECLARATION

- A copy of this application must be presented to the Township of King Building Division when applying for a permit. No work to be commenced until a permit has been obtained.
- This Permit is valid for six (6) months only.
- The location of the works as described is approximate only. The Township will not be responsible for any damage to Municipal or private property incurred as a result of the installation of the service(s). The Township will not be responsible for any delays incurred or additional expenses resulting from services not being located according to municipally provided drawings.

- Connections to the Municipal System(s) are to be made from Monday to Friday, between the hours of 9:00 a.m. to 4:00 p.m.
- Payment for capital charges must be either made in full or alternative arrangements with Finance must be in effect prior to connection.
- The Township will not allow connections to be made over weekends OR Legal holidays OR after regular working hours of the Township.
- Persons abandoning a well will require a well technician with a valid license. Well decommissioning must meet the regulations set out in Ontario Regulation 903 (Well Regulation) as amended made under the Ontario Water Resources Act and Wells Regulation Well Abandonment.
- Applicants are responsible to investigate the existing sewer lateral at the street line. Under no circumstance will the Township be held liable for the changes in final elevations due to field conditions. It is the Applicant's responsibility to check the final invert elevation of services and grades before the final basement elevation is set or the private portion of the connection is laid. No private services shall be installed prior to the Township connections being installed to the street line. The Applicant is responsible to make arrangements for the line and grade at street line with the Township Contractor.
- No person shall conduct any modifications to the Municipal sanitary sewer lateral (including removal of the cap) or other Municipal infrastructure, including water curb stops without the appropriate Township staff present. After excavation to the lateral cap is complete, all water and mud that has entered or filled the excavation must be removed by either pumping to grade into a silt bag or removed by vacuum truck. The area surrounding the lateral cap must be free and clear of all water and debris prior to removal of cap. MUNICIPAL STAFF MUST BE PRESENT FOR INITIAL LATERAL CAP REMOVAL.

I have read the information presented on this page and acknowledge and understand the Township of King's requirements for site servicing herein. I hereby undertake to perform the above described works in accordance with the above-noted conditions.
