Nobleton Sanitary Sewer Project – Connection Notice, Phase 2 - Contract Area 3

The Nobleton Sanitary Sewer System is now operational in your neighbourhood.

In accordance with By-law 2022-012, connection to the sanitary sewer system is mandatory and must be done within twelve (12) months from the date of this letter.

Building, Plumbing and Septic System Decommissioning permits are required prior to connecting. Permits are available from the Township's Building Department for a total cost of **\$306.00**. Please direct all permit inquiries to the Building Department at bldsubmissions@king.ca. For more information on permit requirements please visit <https://www.king.ca/development-growth/building-and-septic-systems/building-permit-applications>.

Property owners are also required to contribute (in the form of a "capital charge") toward the cost to construct the sanitary sewer system. You have received this letter as a registered owner of a property for which sanitary sewer services are now available. The amount owing for the property noted above is **\$23,500.00**.

Property owners have three options for payment, as outlined in the "*NOBLETON SANITARY SEWER SYSTEM METHOD OF PAYMENT*" document included with this letter.

Please forward the enclosed Method of Payment Form indicating your method of payment for the capital charge by no later than **June 30, 2022**.

For more information about the Nobleton Sanitary Sewer Project, please visit our website at <https://www.king.ca/majorprojects>.

Yours truly,

Peggy Tollett
Director of Finance/Treasurer
Township of King

Mandy Paglia
Manager of Capital Services
Township of King
