## COA Pre-Consultation Meeting COMMITTEE OF ADJUSTMENT

A **Committee of Adjustment Pre-consultation** meeting is highly recommended prior to the submission of a formal Committee of Adjustment application. This meeting allows staff to review their comments with you prior to hearing, as well as provide the opportunity to discuss the application with other internal departments as needed.

I wish to proceed with an application(s) to the *Committee of Adjustment* without the benefit of having a Pre-Consultation meeting with a Township of King **Planner**, for the purpose of reviewing my proposal and staff comments prior to the hearing.

I acknowledge that in doing so, the following may impact my application review process:

- additional hearing date(s) required
- the need for additional application(s)
- additional fees (adjournment/recirculation)
