What Is Happening

To support rail corridor enhancements at and around King City GO Station, Metrolinx crews will be installing fencing within the Barrie line rail corridor (see Figure 1 above) along Keele Street and King Road. This fencing is necessary for the safety and security of operations and work within the corridor. In order to safely complete this work, it will be done at night, Monday through Friday, starting on Monday, September 22, 2025 and finishing by September 2026.

We understand that overnight work is not ideal. Metrolinx will implement mitigations wherever possible to reduce the impact of the activities on residents in the area. We appreciate your patience and understanding as we work to bring better and faster service to the Barrie line.

WHAT TO EXPECT

- This work is necessary to ensure the security of the rail corridor.
- Equipment to be used include drilling equipment and trucks.
- Nearby residents may experience some noise associated with these activities.
- Sound and air monitoring technology will be utilized to ensure that noise levels do not exceed a 65-decibel limit in compliance with Metrolinx's construction noise criteria for residential work.
- Vibration monitors will be used to ensure vibration remains below acceptable levels.
- Lights will be pointed towards the track to minimize any light pollution to the area.

HOURS OF WORK

- Work will occur Monday to Friday nightly from 11:00 p.m. to 5:00 a.m.

LOCATION OF WORK

- Work will occur within the Barrie rail corridor along Keele Street and King Road.

PEDESTRIAN DETAILS

- There will be no pedestrian impacts.

TRAFFIC DETAILS

- There will be no traffic impacts.

TRANSIT IMPACTS

- This work will have no impacts to GO service.

COMMUNITY ENGAGEMENT

- We thank you for your patience and cooperation as we strive to bring you enhancements at King City GO station.
- We have a dedicated community relations team in place to work with residents and businesses in the York Region. If you have any questions or concerns about this work, please contact us anytime at **YorkRegion@metrolinx.com**.

As with all construction, work may be adjusted, rescheduled or extended due to weather conditions or unforeseen circumstances.

Comme pour toute construction, les travaux peuvent être ajustés, reportés ou prolongés en raison des conditions météorologiques ou de circonstances imprévues.
