

CONSTRUCTION NOTICE

2026 Gravel Road Conversion Program 12th Concession

Project

This project includes:

- Paving of the existing gravel road
- Paving of driveway entrances
- Roadside ditch grading, as required
- Culvert replacements, as required

Why?

To improve environmental, maintenance, and safety aspects of our roads, the Township's Asset Management Plan includes directive to convert all gravel roads to asphalt by 2040.

Impacts

- Access for local residents will be maintained with minimum one lane of traffic.
- Short-term full road closures may be required and will be communicated in advance
- Access for Emergency Services, Student Transportation, Waste Collection, and Postal Services will be maintained.
