

ROAD CLOSURE NOTICE

2026 Road Improvement Program Strawberry Lane

Project

This project includes:

- Resurfacing/Rehabilitation of the roadway
- Paving of driveway entrances, as required
- Roadside ditch grading, as required
- Culvert replacements, as required

Where?

Strawberry Lane
(Aileen Avenue to Keele Street)

When?

Start: July 20, 2026
End: July 24, 2026

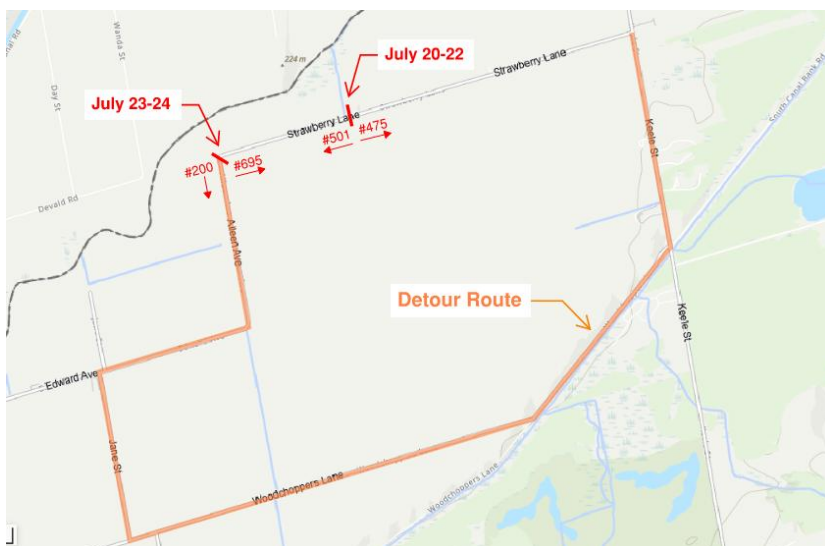

Why?

Several cross-culverts require replacement. This is to improve drainage in the area and maintain stormwater infrastructure in a state-of-good-repair.

Impacts

- Access for local residents will be maintained up to each closure point.
- Detour signage will be installed.
- Emergency Services, Student Transportation, Waste Collection, and Postal Services have been notified.
