

EXPLANTORY NOTE
TO ACCOMPANY BY-LAW NUMBER 2020-069

By-law Number 2020-069, being a Township initiated zoning by-law amendment for the defined urban area of Nobleton, amends definitions related to cannabis production and processing facilities and sites in order to identify where cannabis production or processing facilities may be permitted. Other existing Zoning provisions related to these facilities remain in place.

Comments received from the public on the first draft Zoning By-law Amendment were summarized and included in the Growth Management Services Department Recommendation Report, dated November 30, 2020 (Report no. GMS-PL-2020-26). The input was valuable in identifying issues.
