Invitation to Community Engagement Webinar #2 about the GTA West Highway and Transit Corridor Environmental Assessment Study

The Ontario Ministry of Transportation (MTO) is in Stage 2 of the GTA West Transportation Corridor Route Planning and Environmental Assessment (EA) Study. After confirming the Preferred Route and 2020 Focused Analysis Area on August 7, 2020 (please refer to the enclosed key plan or view mapping at www.gta-west.com), the GTA West Project Team commenced developing the Preferred Route to a preliminary design level of detail.

The GTA West Study is being undertaken as an Individual EA in accordance with the Ontario EA Act and the GTA West Corridor EA Terms of Reference, which was approved by the Ontario Minister of the Environment on March 4, 2008. On May 3, 2021, the Federal Minister of Environment and Climate Change designated the GTA West Study under the Federal Impact Assessment Act.

To further meet the public's needs and address community questions, the GTA West Project Team hosted a Community Engagement Webinar in July 2021. **We are hosting a second Community Engagement Webinar on September 29, 2021 from 6:00 p.m. to 8:00 p.m. The GTA West Project Team will provide the same overview of the project as was presented in July, followed by a question & answer period.** Expert panelists from a variety of disciplines (e.g. noise, air quality, fisheries, archaeology, etc.) will be in attendance to answer your questions.

Public and Project Team member health and safety is of utmost importance. Given the current COVID-19 pandemic, this Webinar will be conducted as an online session hosted through the Zoom platform. For the best experience, we encourage you to join the Webinar on Zoom through an electronic device. If you don't have access to an electronic device, you can listen to the Webinar through your telephone. If you join by telephone, please submit your questions in advance.
