

PUBLIC NOTICE

NOTICE OF COMMENCEMENT AND PUBLIC INFORMATION CENTRE # 1

Multi-Modal Transportation Master Plan

The Town of Caledon has initiated a Multi-Modal Transportation Master Plan (MMTMP) for the municipality. Consistent with the Phases 1 and 2 of the Municipal Class Environmental Assessment process, the first Public Information Centre is being held to inform the public about the steps involved in this work and to gather feedback on the alternative solutions being considered.

We want to hear from you! You are invited to attend a Public Information Centre on Wednesday March 24, 2021 and provide your input. The key component of the MMTMP is to set out a long-term transportation vision for the Town to address mobility needs to 2051+ and beyond. The plan recommendations will also feed into Town's Official Plan.

Your attendance at this meeting is important to help the study team identify transportation related opportunities, challenges and improvements to develop and evaluate transportation solutions for the municipality.

Due to continuing efforts to contain the spread of COVID-19 and to protect individuals, the public information centre will be held virtually.

DATE: MARCH 24, 2021

TIME: 4 – 6 P.M.

The Public Information Centre will provide a brief presentation followed by a question and answer session. All interested parties are invited to attend the public meeting and provide their input to the study team.

To listen to the Meeting, you may call 1-833-311-4101, Meeting Access Code: 132 551 5606. You can also participate in the meeting live from the Town's website. Details are available at caledon.ca/notices

If you are unable to attend the meeting, all consultation materials will be uploaded onto the study webpage. This can be accessed from caledon.ca/notices. Should you wish to submit additional questions or comments to the study team, please contact one of the study project managers:
