

PUBLIC NOTICE

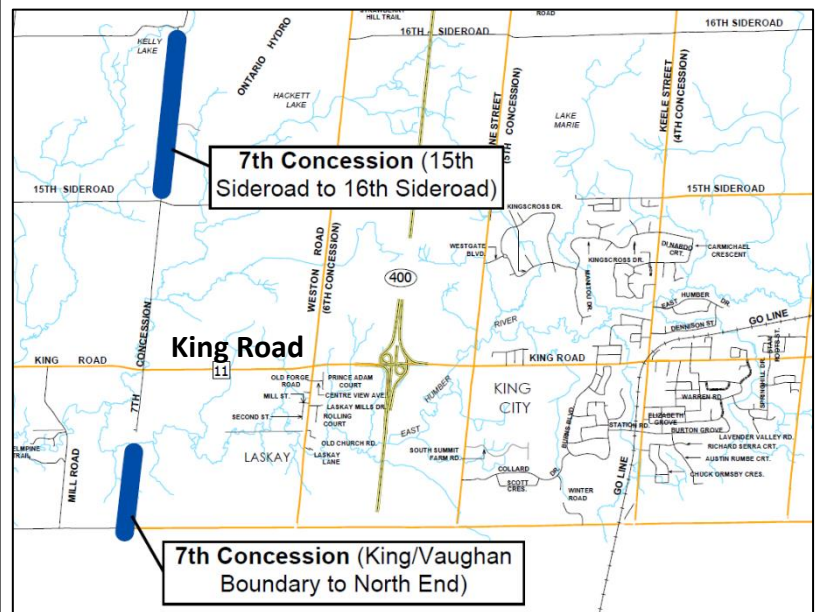

PROJECT:

Paving Program 2021

Road Improvement (7th Concession)

LOCATION:

WHY?

To improve the existing road surface with hot mix asphalt to improve rideability for the traveling public and to reduce overall yearly maintenance costs.

WHEN?

Start: Late September 2021

Expected Completion: Early October 2021

IMPACTS?

Lane restrictions will be in place during construction and some delays to the normal flow of traffic can be expected for the duration of the project. Local traffic will be permitted for residents to access their driveways.

PUBLIC NOTICE

PROJECT:

PAVING DAVIS ROAD

(2nd Concession to Hwy 400 Ramp)

LOCATION:

WHY?

Davis Road will be converted from gravel to asphalt to extend the surface life of the road and provide operational relief with respect to winter and summer maintenance.

WHEN?

Start: Early July 2021

End: Mid July 2021

IMPACT?

Lane restrictions will be in place during paving and some delays to the normal flow of traffic can be expected for the duration of the project. Local traffic will still be permitted.

PUBLIC NOTICE

PROJECT: PAVING 15TH SIDEROAD - TOP COURSE PAVING (From 8th Concession to Highway 27) LOCATION:

WHY?

15th Sideroad will be paved with a top course asphalt lift on top of the current base asphalt. Asphalt driveways will be stripped and be repaved to tie into top course asphalt.

WHEN?

Start: August 2021

Anticipated Completion:

Late August 2021

IMPACTS?

Lane restrictions will be in place during paving and some delays to the normal flow of traffic can be expected for the duration of the project. Local and through traffic will still be permitted. Driveway access will be briefly disturbed during driveway repaving for short durations to facilitate the work.
