Township of King

Public Works Department

Hydrant Meter Permit Application

Fire Department approval required

Address/Area Requiring Hydrant Meter:

Hydrant Permit Number:

Lot No.:

Company Name:

Address:

Phone:

Email:

Application Date:

I, the undersigned, understand that:

1) The use of this hydrant meter at the above location is a privilege and if abused the permit will be revoked.

2) Water obtained through this permit is not considered potable due to lubricants used during hydrant maintenance and/or possible contamination.

3) Changes to the configuration of the meter or backflow preventer is prohibited and will result in a loss of deposit and permit. Additional costs incurred by the Township will also be applied.

4) The Township may restrict water usage or remove the meter in the event of a water restriction per Region of York Advisory and/or the Township By-law.

5) The proponent will provide and maintain a gate valve acceptable to the Township at the assigned hydrant.

6) The proponent's deposit will be refunded minus all cost incurred.

Rental Period
