# 2022 Waste Collection Calendar

Garbage, Green Bin, Recycling & Yard Waste

# Waste Collection Calendar 2022

On behalf of Township of King Council, I am pleased to welcome you to the 2022 Waste Collection Calendar. This calendar is full of important information about our waste collection program, along with tips on being more environmentally responsible.

King Township is well known for its rural character, rolling hills, extensive tree canopy and being home to more than 60 per cent of the Holland Marsh.

We never take our green spaces for granted. We're constantly looking for ways to ensure our environment is sustainable and protected for future generations to enjoy.

We have made significant strides by declaring a climate emergency. This declaration was made to help deepen our commitment to leading in the environmental and climate change field. Out of that declaration came our new Climate Change Action Plan.

This plan aims to provide a framework of future priorities, actions, studies and pilots. To learn more about the plan, please visit [speaking.king.ca/climate-action-plan](https://speaking.king.ca/climate-action-plan).

We are also refreshing our Integrated Community Sustainability Plan. Adopted by Council in 2012, the plan is corporately led and community supported. We look to this guiding document whenever we make decisions that will impact our environment. To learn more about the plan refresh, please visit [speaking.king.ca/ICSP](https://speaking.king.ca/ICSP).

Thanks for doing your part to protect our beautiful Township.

Mayor Steve Pellegrini  
Township of King

### Important Calendar disclaimer:

Due to the ongoing and quickly changing nature of the COVID-19 pandemic, information in this calendar may be outdated, particularly our regularly scheduled Special Events like Soupfest and the Craft Beer and Food Truck Festival.

For the most up-to-date information on programs and services, please visit [www.king.ca](https://www.king.ca)

For the most up-to-date list of Special Events, please visit [www.king.ca/communitycalendar](https://www.king.ca/communitycalendar)

# Curbside collection reminders

## TO THE CURB BY 7AM 2 bag and/or garbage container limit every 2 weeks

Additional garbage tags can be purchased.  
A maximum of 3 additional bags are allowed per pickup. Garbage tags can be purchased online at [www.king.ca/online services](http://www.king.ca/online services) anytime. Garbage Tags cost \$2/tag and are sold in a package of 5 tags for \$10.

### These items are NOT picked up:

Hazardous and biomedical waste;  
household paints, solvents; pesticides;  
syringes; car parts including tires;  
propane tanks; construction waste.

Disposal information for these  
items can be found throughout  
this calendar or by calling York  
Region at 1-866-665-6752.

or call 1-866-665-6752

## Reminder to residents

**Only Township-approved recycling blue bins**  
Magazines, newspapers, cardboard and other waste paper must be securely bundled  
Maximum size: 20 x 24 x 12 inches

**Non-returnable garbage containers:**  
Waterproof plastic bags secured to prevent spillage.  
Approved curbside garbage containers; maximum size 36"h x 20" diameter. Maximum weight: 22kgs (50lbs)

**Battery recycling drop off locations:**  
Township municipal office, Trisan Centre,  
all Township libraries when fully re-opened.

**Cell phone recycling location**  
Trisan Centre when fully re-opened.

**Recycling containers can be purchased at the Township municipal offices when fully re-opened.**  
(Prices subject to change)

Kitchen Containers	\$7.50 + HST
Green Bin	\$24.00 + HST
22 Gal. Blue Bin	\$12.50 + HST

## Tips for a Problem Free Collection

**DO NOT** put recyclables in a cardboard box; must be in a Township approved blue box

**DO NOT** place food waste in blue bin. Remember to wash out your plastic and glass wear.

**DO NOT** place your containers/bags on top of snow banks

**DO** ensure all material is bagged properly and all bulk items placed neatly beside them

## What goes in the green bin?

### Food and food scraps

If you can eat it, it can go in the green bin.

### Soiled or shredded paper

Shredded paper in small amounts. No wax paper.

### Personal care items

Diapers, hair, nail clippings, feminine hygiene products, incontinence products, tissues.

### Pet products

Animal bedding, pet waste, kitty litter, bird seed, pet food, pet fur, feathers and sawdust (wood sources only).

### Houseplants and flowers

No yard waste.

### Green bin tip

Green Bins can be lined with either a plastic bag or compostable bag. Using a compostable bag will help the environment.

## Yard waste

Yard waste is collected with recycling **every second week** from **April to November**.

\*there are some exceptions due to holidays

There is **no limit** on the amount of yard waste that can be put out for collection, as long as acceptable containers are used.

Place weeds, plant trimmings and leaves in paper yard bags or any rigid open top container that has handles. Bundle branches with twine only, no rope.

### Please note: No grass clippings!

These items should not be placed with yard waste: kitchen scraps, rocks, dirt, sod, tree stumps, branches larger than 10cm in diameter, flower pots/trays, painted or treated wood and animal droppings. These items should be placed in your green, blue or garbage bins or dropped off at one of the facilities on page 3.

### 3 REASONS TO RECYCLE GRASS CLIPPINGS

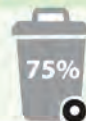

**Leave grass clippings on the lawn and reap the benefits of a healthier landscape: no chemicals required**

**1** Grass clippings are rich in nitrogen, phosphorus, and potassium, the three major ingredients in commercial fertilizers.

**2** Grass clippings contain up to 85% water, helping the lawn retain moisture.

**3** In the landfill, grass clippings account for 75% of yard waste; leaving them on the lawn reduces waste.

SUNDAY	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY
*Visit <a href="http://www.king.ca/communitycalendar">www.king.ca/communitycalendar</a> for more information and to confirm details of all events.			Grasscycling can help your lawn choke out weeds by denying them the light and air.		1 	2

# Relax AND Enjoy

Imagine how it feels to be surrounded by trees and forests – the cool shade, the aromatic smell, the feeling of escaping time as you connect with nature. Now imagine always having that at your fingertips.

If you own property in York Region, we can help you rekindle your connection with nature by planting a tree or forest on your property.

## Tree-planting programs include:

- Low-cost backyard do-it-yourself and full-service planting
- Full-service, large-scale planning and planting
- Do-it-yourself bulk seedlings

Discover how easy tree-planting can be.  
[york.ca/treepplanting](https://york.ca/treepplanting)

Planning to beautify your yard? Why not try planting milkweed. Milkweed not only adds colour to your garden; it attracts butterflies, bees and other important pollinators and provides the food and shelter they need.

## Choose the best milkweed for your yard:

- Swamp milkweed – grows in wet and moist conditions
- Poke milkweed – best suited for woodland shade gardens
- Butterfly or orange milkweed – ideal for normal-to-drought tolerant gardens
- Common milkweed – suitable for normal to moist gardens

Explore ways to show your yard (and pollinators!) some love.  
[york.ca/loveyouryard](https://york.ca/loveyouryard)

# Protect your Trees

Protect your trees from European gypsy moth / *Lymantria dispar dispar* (LDD) this year. Prior to caterpillars hatching in spring, egg masses can be scraped off of trees into a bucket of soapy water and left for a day or two before disposing of them.

If trees are severely infested (many egg masses are visible), an insecticide may be a viable option. Contact a licensed tree care company to discuss the best options.

Always wear gloves when handling caterpillars and egg masses to avoid an allergic reaction.

Learn more about the LDD and how to protect your trees.  
[york.ca/LDDmoth](https://york.ca/LDDmoth)

# FIGHT THE BITE! AGAINST BLACKLEGGED TICKS AND LYME DISEASE

## What is Lyme disease?

Symptoms of Lyme disease may include:

- A skin rash
- Fatigue or weakness
- Headache
- Fever or chills
- Dizziness or confusion
- Muscle and joint pain
- Swollen lymph nodes

Lyme disease is caused by a bacteria called *Borrelia burgdorferi* which is spread through the bite of an infected blacklegged tick.

See your health care provider if you develop symptoms of Lyme disease after a tick bite or after visiting a wooded or brushy area.

## Protect yourself in wooded or brushy areas

- Wear light-coloured, long-sleeved clothing and closed footwear
- Use insect repellents containing DEET or icaridin
- Walk in the middle of trails
- Shower when you get home
- Check yourself, your family and your pets for ticks
- Remove attached ticks as soon as possible

## What are blacklegged ticks?

- Ticks are small bugs that feed off the blood of animals and humans
- Adult ticks are the size of a sesame seed and nymphs are the size of a poppy seed
- Ticks are found on tall grasses and bushes in wooded areas
- They can attach and feed up to five days

## If you find a tick on you or a family member remove it quickly

1. Grasp the tick with tweezers as close as possible to your skin and pull it straight out
2. Do not put anything on the tick or try to burn it off
3. Disinfect the area with rubbing alcohol
4. Visit [etick.ca](https://etick.ca) for **FREE** tick identification

For more information on how you can protect yourself and your family from Lyme disease, call York Region Health Connection at 1-800-361-5653 or visit [york.ca/lymedisease](https://york.ca/lymedisease)

# FIGHT THE BITE! AGAINST WEST NILE VIRUS

## What is West Nile virus?

West Nile virus is spread to humans from the bite of an infected mosquito.

## How to protect yourself when outdoors

- Wear light-coloured, long-sleeved shirts and pants
- Use insect repellents containing DEET or icaridin
- Cover up at dusk and dawn when mosquitoes are most active

## How York Region protects you

York Region's West Nile Virus Program includes larviciding over 100,000 catch basins during the summer and using mosquito traps to capture and test for West Nile virus infected mosquitoes.

## Mosquito-proof your home

- Clean up areas of standing water around your home
- Ensure door and window screens are tight-fitting and in good repair
- Clean up pools / pool covers
- Turn over wading pools
- Empty out flower pots
- Clear eavestroughs, storm and roof gutters
- Clean bird baths weekly
- Empty water in old tires

For more information on West Nile virus, call York Region Health Connection at 1-800-361-5653 or visit [york.ca/westnile](http://york.ca/westnile)

## What is Household Hazardous Waste?

Household hazardous waste (HHW) is anything in your home that is corrosive, explosive, flammable or poisonous and is no longer needed. It should be brought to a HHW depot where it will be disposed of safely.

### Examples of HHW:

- Aerosol cans (full or partially full)
- Batteries
- Cleaning products
- Cosmetics
- Fertilizers
- Fluorescent light bulbs and tubes
- Gasoline (containers may not be returned)
- Glues and adhesives
- Nail polish and polish remover
- Paints (liquid and solid)
- Paint thinner and varnish remover
- Perfume and cologne
- Pesticides, insecticides and herbicides
- Pharmaceuticals
- Propane cylinders/tanks
- Pool chemicals
- Sharps (needles/syringes) must be in puncture proof container
- Used motor oil and filters

Residents can drop off 60L of household hazardous waste and 20 compact fluorescent tubes per household per day.

## What is Electronic Waste?

Electronic waste (e-waste) is any electronic equipment in your home that no longer works and cannot be repaired. E-waste should not be thrown in the garbage as these items contain materials considered to be hazardous.

### Examples of e-waste:

- Cables
- Cameras and camcorders
- Cell phones, telephones, pagers and fax machines
- Computer towers, laptops, tablets, modems, keyboards and mice
- Game systems
- Monitors, printers, scanners and typewriters
- Televisions
- VCRs, DVD players, radios, stereos, speakers

*Maximum 50 kg per household per day. Remove all packaging and batteries. Disassembled electronics will not be accepted.*

Don't know where it goes? Visit [york.ca/bindicator](https://york.ca/bindicator)

## Waste Depots:

**East Gwillimbury HHW and Recycling Depot**  
225 Garfield Wright Boulevard  
Town of East Gwillimbury

**Elgin Mills CEC**  
1124 Elgin Mills Road East  
City of Richmond Hill

**Georgina Transfer Station**  
23068 Warden Avenue  
Town of Georgina

**Markham HHW Depot**  
Rodick Road  
South of Miller Avenue  
City of Markham

**McCleary Court CEC**  
130 McCleary Court  
City of Vaughan

**PROTECT  
YOUR  
PIPES!**

**COOL IT.  
SCRAPE IT.  
GREEN BIN IT.**

**Fats, Oils and Grease (FOG) go in your green bin – not down your drain or toilet!**

**Fats, oils and grease include:**

- Butter and margarine, cooking and deep-frying oils, marinades and gravies, meat fats, sauces, shortening and lard, and even salad dressings!

**Proper disposal:**

- Allow fats, oils and grease to cool
- Use a spatula to wipe or scrape FOG into your green bin
- Drop off oils that do not harden, such as liquid cooking oils, at a York Region waste depot

**If not disposed of properly, FOG will cool, harden and clog your pipes or our sewers.**

**[york.ca/fog](http://york.ca/fog)**

# USED MASKS, GLOVES & WIPES GO IN THE GARBAGE

**Bag it. Tie it. Pitch it.**

**Learn what goes where at  
[york.ca/waste](http://york.ca/waste)**

## **Challenge yourself to waste less and save more**

On average, households in Canada throw away \$1,500 per year in wasted food!

By wasting less food you can save money, time and energy in the kitchen.

## Metal and bulky item pickup

Contact GFL with questions related to waste collection 1-866-421-5625 [www.gflenv.com](http://www.gflenv.com)

### Metal items

Large metal items such as appliances, barbecues (no propane tanks), bed frames, furnaces, hot water heaters, etc. can be collected by appointment only. Buy an appliance tag for \$24.00 online at [www.king.ca/onlineservices](http://www.king.ca/onlineservices). Price subject to change. Call GFL 1-866-421-5625 to schedule the pickup.

For everyone's safety, residents are required to remove the doors on fridges, stoves, freezers and lockable large appliances.

### Bulky items

Furniture, mattresses and box springs, plastic lawn furniture, toilets (2 piece toilet must be separated), carpets cut in 5' lengths and tied, not weighing more than 50 lbs. can be placed at the curb on your regular garbage week. Purchase a \$12.50 bulk item tag at [www.king.ca/onlineservices](http://www.king.ca/onlineservices). Price subject to change.

### Construction and demolition items

Take these materials to one of York Region's community environmental centres. See page 3 for locations and hours of operation.
