ROAD CLOSURES AND PARKING RESTRICTIONS
ON WESTERN AVENUE, MAIN STREET AND DR KAY DRIVE.

“A Main Street Christmas” will be held this year on Saturday, December 2nd, and for safety reasons, and per the requirement of the York Region Police and the Township of King, certain road restrictions will be in place.

The Santa Claus Parade (4pm) will be staging along Western Avenue, and the Farmers’ Parade of Lights (7:30pm) will be staging in the Fairgrounds and also along Western Avenue. To facilitate this, the York Region Police requires us to place no parking signs, bollards and pylons along the entire length of Western Avenue on the east side of the road starting early in the morning of Saturday, December 2nd. These restrictions will be in effect until after the 7:30 pm Parade.

The floats for the Santa Claus Parade will start to line up on Western Avenue near the old Arena starting at approximately 2:30pm.

After that Parade has left, the signs and bollards will be returned to the road and No Parking will remain in effect until the floats and vehicles for the second Parade start to assemble at about 6:30pm, and stay in effect until after the parade has left. The Farmers’ Parade of Light commences at 7:30pm. All Parking restrictions on Western Ave. will be lifted by 9pm.

Main Street will be closed by York Region Police for vehicular traffic from 2:30 pm to 9:15 pm, from Church Street to Ben Boy Ave. The intersection of Main St and Western Ave will be closed during this time. Please use Church Street and Main Street South to enter and exit.

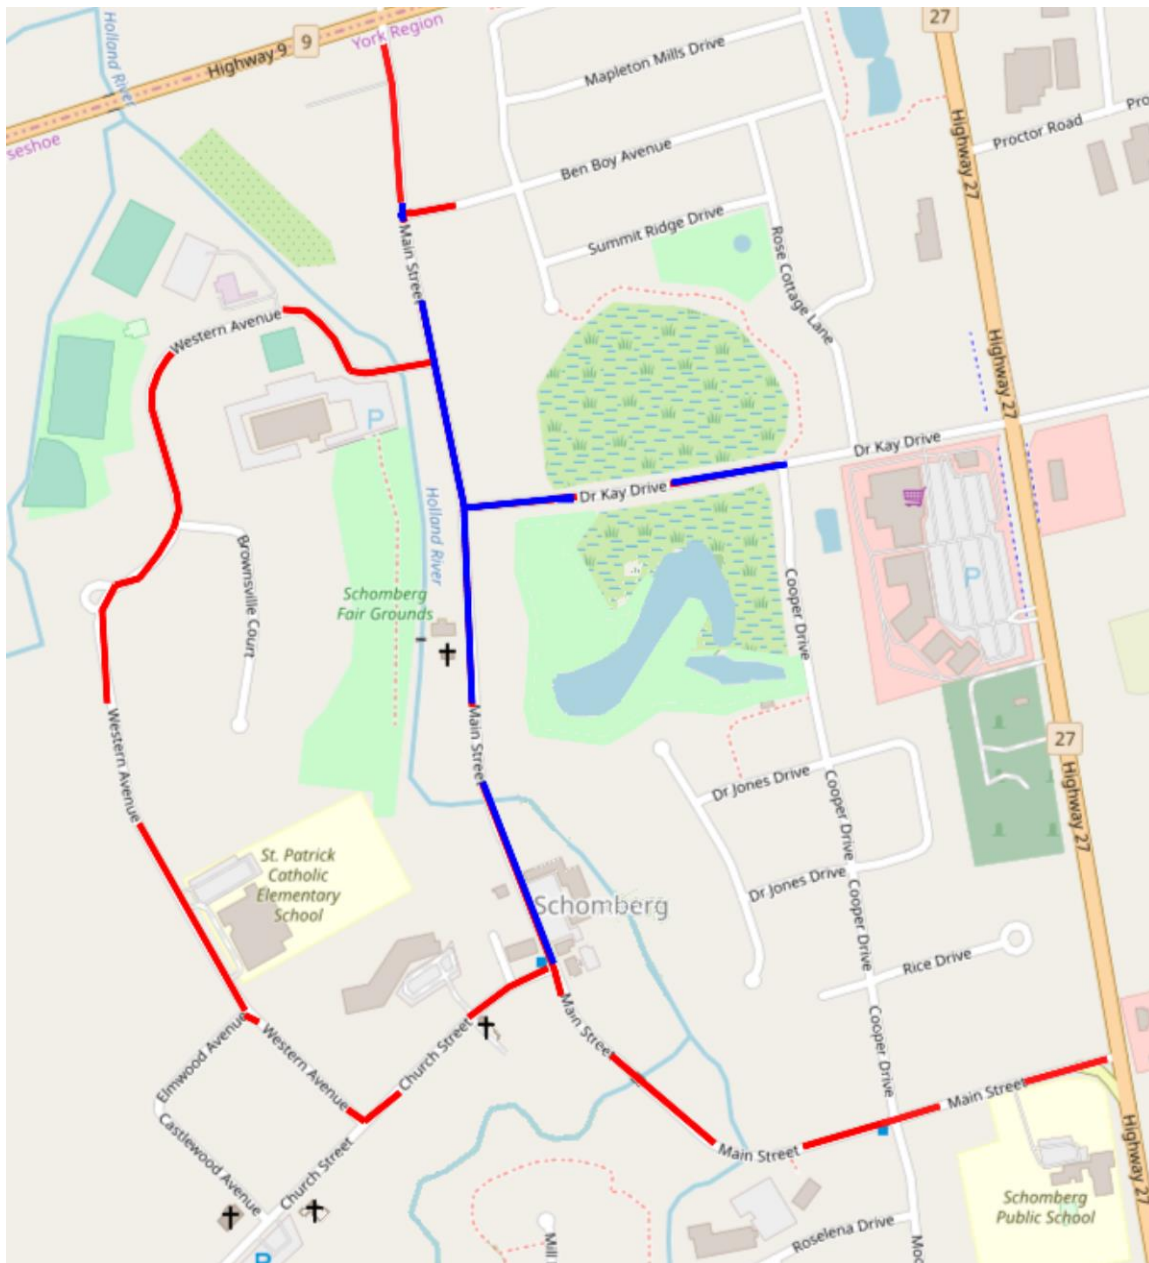

Western Ave will also be closed for traffic between 3:00pm and 4:30pm during the beginning of Christmas parade, for safety.

Dr Kay Drive will also be closed from 2:30 pm to 9:15 pm between Cooper Dr and Main St.

We greatly appreciate your cooperation in helping us make sure this event runs smoothly and safely – Thank you, and we hope you enjoy the festivities!
